MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence
Members of the Project Review Committee

SUBJECT : Research Program of the Economic Research Area for Fiscal Year 1957

1. Inasmuch as the program of the Office of Research and Reports does not come before the Project Review Committee for consideration or approval and yet involves an investment of several million dollars, I believe it appropriate to furnish members of the Committee with copies.

2. A perusal of the first ten pages, a glance at the table on page 19 and a random look elsewhere should be sufficient to establish the general direction of ORR's research effort and the manner in which the allocation of its resources has been made. It is my belief that this planning effort in terms of care, detail and logic meets the very highest standards to be found in or outside of the Government in the administration of scholarly research.

3. A slightly sanitized version omitting the man-hours is made [redacted] 25X1C8a
